POPULAR BUSH ROSES

75c each; \$7.50 per dozen, Bare Root.
\$1.00 each in large containers.

America. Large, rose-pink, fine shaped flowers, sweetly scented, carried on long stems. Deep glossy green foliage; almost thornless.

Aspirant Marcel Rouyer. Long pointed buds of bronzy apricot, tinted light salmon, borne on long stems. Strong bush, steady bloomer.

Betty Uprichard. A charming semi-double rose with copper-red buds, opening to bi-colored flowers, soft salmon-pink on inner surface of the petals and glowing orange-carmine on the outside, borne on long stems. Tall and erect grower.

Columbia. Colored a true pink, deepening as it opens to a glowing pink. Single buds on long stems.

Constance. A free flowering variety producing beautiful long orange-yellow buds of perfect form; these are more or less streaked with crimson; as the flowers fully develop they open to a full globular flower of golden yellow.

Etoile de Feu. Large cupped flowers of flaming orange, quite solid and full. Glistening foliage, low grower.

Etoile de Hollande. Brilliant red bloom of magnificent size, perfect in bud. Does not fade and is quite fragrant.

Etoile Luisant (Baby Herriott). A beautiful baby rose with miniature buds of the same shape and form as Cecil Brunner, but the color is rich coppery orange.

Frank Reader. A two-toned yellow rose with good buds and very large flowers. Vigorous grower, excellent bloomer, fine for cut flowers.

Gen. McArthur. The buds and open flowers are of the brightest crimson, retaining their color until they drop their petals. Blooms continuously.

Golden Emblem. Deep rich golden yellow, the buds being beautifully stained with carmine on the outside of the petals. The buds are well shaped, opening up very full. Strong and upright grower.

1931 ROSE LIST

Golden Gleam. A new, buttercup yellow rose that comes recommended to us very highly.

Hadley. Color a deep, brilliant, velvety crimson which it retains all the year round. Flowers are borne on stiff upright stems.

Hoosier Beauty. Color a glowing crimson, scarlet with darker shadings. Deliciously fragrant. Buds long and pointed.

Imperial Potentate. Dark shining rose-pink in color, very double with firm, heavy petals. Fragrant.

Irish Elegance. Single rose, color bronze-orange and scarlet, shaded to apricot.

Irish Fireflame. Single old gold flamed with crimson, long stemmed fine buds.

Isobel. Single long pointed buds. Flame red.

Kaiserin Augusta Victoria. White faintly suffused lemon-yellow. Flowers are large, very full and beautifully formed, with reflexed outer petals.

K. of K. (Kitchener of Khartoum). A dazzling, semi-single rose of intensest scarlet. Its huge petals are velvet sheened, solid scarlet throughout.

Lady Hillingdon. Has long slender pointed bud, of deep golden yellow. Blooms continuously.

Lady Inchiquin. Large full perfectly formed buds and flowers of glowing orange cerise. Very striking.

L. C. Breslau. Entirely distinct from all other roses in color; the buds are coral-red shaded with chrome-yellow, while the expanded flowers, which are very large, are of a superb shrimp-pink, shaded coppery-orange and chrome-yellow.

Lord Charlemont. Fragrant, beautifully formed high centered crimson flowers. Stems are stout and plant is free in growth and bloom.

Los Angeles. Color a glorious flame-pink, shaded golden yellow. The bud is long and full; plant is strong, vigorous grower. Superb for cutting.

Mabel Morse. Clear brilliant unfading yellow without a trace of any other color. Low spreading bushy growth. Resistant to disease.

Mad. Edouard Herriott or Daily Mail. Produces a profusion of exquisitely formed and sweetly scented buds of reddish copper and coral tints.

Modesty. Pearly cream, flushed rose. Long, large, perfectly formed buds. Free flowering.

Mrs. Aaron Ward. Deep golden orange color, shading out to lemon or creamy yellow at the end of the petals. The buds are cupped and very deep.

Mrs. Chas. Russell. Color rich, rosy carmine. Flower well formed and outer petals very delicately veined. Good stems and heavy foliage.

Mrs. H. R. Darlington. A very large rose of pure white or pale cream. Excellent form and slightly fragrant.

Mrs. Lovell Swisher. Excellently formed buds and flowers of deep coppery salmon shading to delicate salmon pink at the edges and golden ochre at the base of the petals. Strong grower and continuous bloomer.

Mrs. S. K. Rindge. The flowers are a magnificent deep golden yellow without any tints of copper. As the petals age they become suffused with soft pink and create a rather curious effect.

Mrs. W. C. Egan. Long stiff stems with large, well pointed buds. Color two-toned pink, shading to yellow at base of petals.

Ophelia. Color a pleasing, delicate tint of salmon flesh, shaded with rose. Flowers of perfect form and large size. A very free bloomer.

Padre. Most novel and attractive in coloring, with long petals of a coppery-scarlet, flushed with yellow at the base, produced on long shoots. Strong and upright grower, free flowering.

Radiance. A lovely light silvery pink with suffusion of a deeper color. Exceedingly vigorous, hardy and disease resistant.

THE EDWARD H. RUST NURSERIES

Red Radiance. Big, cerise-red flowers borne on long heavy stems. Similar in growth to Pink Radiance.

Rose Marie. A perfectly formed flower, dark rose-pink with beautifully veined petals. Free bloomer with long stems. Does not mildew. An ideal pink garden rose.

Shot Silk. Delicate salmon rose, flowers are often flushed with orange and cerise while the base of the petal is yellow. Quite fragrant.

Souv. de Claudio Pernet. A definite and lovely sunflower-yellow. The plants are of branching habit, with brilliant green foliage and few thorns, and the buds are produced on long, stiff stems.

MAD. EDOUARD HERRIOTT

Souv. de Georges Pernet. Flowers beautiful orient-red shaded to cochineal carmine at the margin of the petal, the whole being suffused with a golden sheen. Strong, vigorous grower.

Sunburst. Intense shades of golden orange and yellow. Buds large and well formed, produced on long stems.

The Queen Alexandra. Intense vermillion red shaded old gold. Deep glossy green foliage, perpetual bloomer. Flowers are rather rough, but large and full and a startling color combination.

Ulrich Brunner. Flowers of cherry-crimson borne on long stems. Fragrant. Blooms in spring.

Vesuvius. Bright scarlet crimson with a golden center. Sweetly fragrant and flowers last for several days when cut. The best dark colored single rose.

Ville de Paris. A clear sunflower yellow rose that does not fade in the hottest sun. Plant a vigorous, erect grower with glossy reddish green foliage. Disease proof.

Wm. F. Dreer. Similar to the Los Angeles rose in shape, color a delicate silvery shell-pink. The base of the petals are of a rich golden-yellow, which, at certain stages of development gives a golden suffusion to the entire flower.
